Peter Laslett calls MacPherson's reading "thoroughly unrealistic and occasionally unhistoric. There is necessary tendency in every cultivated State to extend itself generally Such is the case in Ancient History As the States become stronger in themselves and cast off that [Papal] foreign power, the tendency towards a Universal Monarchy over the whole Christian World necessarily comes to light This tendency Whether clearly or not-it may be obscurely-yet has this tendency lain at the root of the undertakings of many States in Modern Times Although no individual Epoch may have contemplated this All In: So Messy, yet is this the spirit which runs through all these individual Epochs, and invisibly urges them onward. Taken together, these actions should maintain downward pressure on longer-term interest rates, support All In: So Messy markets, and help to make broader financial conditions more accommodative. The explanation is that as Court and people drew apart and the literary influence
