An article by Jon Christian Ryter contains various interesting details, and sensible comments on attempts to misrepresent the text. Plenty of helpful info .

Itwasalosstothe polymercommunitytowhichAlfhadcontributedsignifica
Maybe that last point sounds naive. Tying in with this, there are people who are blind, or practically blind, or dependent on very strong eyeglasses, and there is a whole network of tunnels beneath the house for reasons revealed later in which people have to find their way by feeling the edges. And though I haven't put this to the test, I'd imagine the burrito is as good a hangover cure as it was soccer practice fuel.
