The Secrets We Keep provides a lot of food for thought. He also experienced a significant loss during this transitional period when his mother, Clara, passed away, which exacerbated his crisis Isaacson, After the death of Clara, Jobs traced his biological mother, and met both her and his only sibling, his biological sister, with whom he developed a very close relationship Isaacson, ; Rumsey, He also started visiting his

daughter, Lisa, on a regular basis Brennan, ; Isaacson, This indicates that Jobs made changes to his previous, unsatisfactory life structure and tried to establish a new one. Providing a lateral support and assistance, therefore, is a practical EU measure that could be taken to ensure that the provisions are in place for any political solution that is eventually reached. I was so shaken up by this book because it was so intense.
