The Balam shown is an extremely daring creature who tends to act first and think later, although she had also managed to set up a complex computer network tracking crimes similar to the disappearance of her niece. Lure the reader with the glimpse of more to come and control the flow, by creating seamless scene transitions. Similarly, a widow's dowry and the support of her minor children were to be the first charge on the estate and all debts to be paid out of the residue. I have interspersed non-revolving debt payoff with revolving debt payoff. Though not stated explicitly in the novels series, author Rowling said in interviews that the character is gay.
