Giving Good Weight

The author does a great job of showing that it is people who are the true horror - the way they treat both the world and each other - and most of the true danger in the book particularly to Gordon comes from other survivors.

A Haunted House and Other Short Stories (The Original Unabridged Posthumous Edition of 18 Short Stories)

Both bodies have recently been required by the German Government to reappraise their priorities and to transfer more resources to Eastern and Central Europe. But sharing cramped quarters with students from all over Europe quickly leads to multi-cultural chaos as Xavier gets an eye-opening lesson on how to live, love, laugh and party.
